OTHER RESOURCES

WE RECOMMEND

www.dirtdoctor.com	Howard Garrett	An excellent source for general organic gardening and landscaping as well as practical tips, products, and applications. Listen to 1070 am radio in Houston on Sundays from 8 am till 11 o'clock am.
www.natureswayresources.com	John Ferguson	Highest quality compost, soils, & mulch products in Texas. Has excellent information on composts and soil products, and on various organic related subjects.
www.urbanharvest.org	Local Organic Organization	Excellent resource for sustainable organic gardening.
www.malcolmbeck.com	Malcolm Beck	Known in Texas as one of the experts on organic gardening and landscaping.
www.soilfoodweb.com	Dr. Ingham	Most complete and modern soil analysis for complete biological and chemical composition of soils.

CONTACT A CONDON GARDENS REPRESENTATIVE TO DEVELOP A CUSTOMIZED ORGANIC PROGRAM FOR YOUR GARDEN.
